## EDUCATION

2022 - 2026  
SRI LANKA INSTITUTE OF  
INFORMATION TECHNOLOGY  
(SLIIT)

- BSc (Hons) in Information Technology

2012 - 2017  
E- SOFT

- Diploma in PC Hardware Engineering and Networking

2007 - 2020  
ANURUDDHA KUMARA  
NATIONAL SCHOOL

## SKILLS

- Teamwork
- Time Management
- Leadership
- Effective Communication
- Critical Thinking

## CERTIFICATIONS

- PEARSONASSURED  
Certification in PC Hardware Engineering and Networking - Esoft
- Certification in Information Technology - Esoft

## PROFILE

Dedicated and enthusiastic Information Technology student with a strong foundation in web development, software engineering, and cybersecurity. Proficient in a variety of programming languages and frameworks including HTML, CSS, PHP, Java, and the MERN stack. Experienced in Android development with Kotlin and skilled in PC hardware engineering and networking. Passionate about cybersecurity with hands-on experience in CTF challenges on platforms like PicoCTF and TryHackMe.

## PROJECTS

### Web Development

- Pure Care Pharmacy Site - Pure Care is a site we did for a Pharmacy and used HTML, CSS, and JavaScript for front-end development and PHP for back-end development
- Vehicle Spare Parts Site - This is a site that we developed using HTML, CSS, and Javascript front-end development and Java for back-end development
- Ceylon Travels - This is a site that we developed using MERN Stack and I implemented the Vehicle Reservation function

### Mobile Development (Kotlin)

- Safe Drive - Small Game that you have to Avoid crashing with other cars with endless gameplay (2D)
- Task App - Small Task keeping app for android with CRUD Operations

## EXPERIENCE

### Web Development

- Developed and maintained websites using HTML, CSS, PHP, and JavaScript.
- Collaborated with the design team to implement UI/UX improvements.

### Cybersecurity Enthusiast

#### Self-driven

- Engaged in CTF challenges on PicoCTF and TryHackMe to enhance cybersecurity skills.
- Achieved Advert Cyber 2023 certificate and Level 8 on TryHackMe Platform
